<td>The University of Calicut is the largest University in Kerala.Established in
the
year 1968,
it is the second university to be set up in Kerala. The University aims to nurture
excellence
in education and research in its catchment areas of Northern Kerala, historically
consigned to
the periphery of Kerala's academic map. The University lays its emphasis on
fostering quality
human resource and promoting productive research that benefit both local
communities and wider humanity.
